

BACKPACKS FOR KIDS
foundation

The Backpacks for Kids Foundation is a non-profit organization that provides children in need with quality backpacks and school supplies. The Foundation was founded in 2001 by four high school students who wanted to make a difference in their community. Since then, the Foundation has donated over 12,000 backpacks to children in the Greater Boston area and beyond.

The Foundation believes that education is the key to success and that every child deserves a chance to learn. By giving children the tools they need for school, the Foundation hopes to increase their confidence, motivation, and academic performance. The Foundation also aims to promote literacy by including books and reading materials in the backpacks.

The Foundation works with local service agencies and schools to identify and distribute the backpacks to children who need them the most. The Foundation relies on donations and volunteers to support its mission. You can help the Foundation by donating money, backpacks, school supplies, books, or your time. To learn more about the Foundation and how you can get involved, please visit their website www.backpacksforkids.net or contact them at info@backpacksforkids.net.

Solomon's Temple Lodge is a Masonic lodge that has been serving the community of Uxbridge and the surrounding towns for over 200 years. Founded in 1818, the lodge is the oldest in Massachusetts that still operates in its original building, a historic academy on the town common. The lodge is part of the Grand Lodge of Massachusetts, the governing body of Freemasonry in the state.

Solomon's Temple Lodge supports various local charities and causes, such as the Backpacks for Kids Foundation, the Uxbridge Food Pantry, the Uxbridge Historical Society, and the Uxbridge Public Library. The lodge also organizes social and educational events for its members and guests, such as dinners, lectures, and tours. The lodge welcomes men of good character who share the values of Freemasonry.

The lodge's mission is to make good men better by providing them with a system of moral and spiritual guidance based on the ancient teachings and symbols of Freemasonry. The lodge also encourages its members to practice these virtues in their daily lives and to be good citizens and leaders in their communities, giving back to those in need whenever possible.
