

~Supported Charities~

For over 200 years, Solomon's Temple Lodge has been a cornerstone of the Uxbridge community, upholding the Masonic tradition of charity and service. Since our founding, we have dedicated ourselves to supporting those in need through financial donations, volunteer work, and fundraising efforts, ensuring that our community receives the aid it requires.

The Lodge has contributed to numerous charitable organizations and causes, including the Solomon's Temple Scholarship Fund, which helps local students pursue higher education. We support the Uxbridge Public Library and historical preservation efforts, ensuring the town's heritage is maintained for future generations. We also donate to The People First Food Pantry, providing meals to families in need, and contribute to the Backpacks for Kids Foundation, helping underprivileged students start the school year prepared.

We honor veterans by supporting Wreaths Across America, placing wreaths on graves during the holiday season, and donate funds to Toys for Tots to bring joy to children during the holidays. Our commitment also extends to the Boy Scouts of America, fostering leadership in youth, and the Grand Lodge's Brotherhood Fund, assisting Masons and their families in times of hardship. Additionally, we contribute to Shriners Hospitals for Children, which provides life-changing medical care regardless of a family's ability to pay.

You will also see us supporting community events such as the Uxbridge First Night Parade, helping to bring residents together in celebration. As we look to the future, Solomon's Temple Lodge remains dedicated to charitable giving and service. Through the efforts of our Brethren, we continue to uphold the Masonic values of brotherly love, relief, and truth, ensuring our legacy of charity endures for generations to come.

We appreciate your support!

Uxbridge, MA

Solomon's Temple Lodge is a Masonic lodge that has been serving the community of Uxbridge and the surrounding towns for over 200 years. Founded in 1818, the lodge is the oldest in Massachusetts that still operates in its original building, a historic academy on the town common. The lodge is part of the Grand Lodge of Massachusetts, the governing body of Freemasonry in the state.

Solomon's Temple Lodge supports various local charities and causes, such as the Backpacks for Kids Foundation, the Uxbridge Food Pantry, the Uxbridge Historical Society, and the Uxbridge Public Library. The lodge also organizes social and educational events for its members and guests, such as dinners, lectures, and tours. The lodge welcomes men of good character who share the values of Freemasonry.

The lodge's mission is to make good men better by providing them with a system of moral and spiritual guidance based on the ancient teachings and symbols of Freemasonry. The lodge also encourages its members to practice these virtues in their daily lives and to be good citizens and leaders in their communities, giving back to those in need whenever possible.
